

Dynamic Holiday Logo Addon for Wowonder

[This is actually a demo of the image I have for Halloween in my site.](#)

In this tutorial, I'll guide you through the process of integrating the **Holidays Logo Wowonder Addon** into your Wowonder social networking platform in 3 easy steps. This addon automatically changes your website's logo to reflect major U.S. holidays like New Year's, Independence Day, Halloween, and Christmas, giving your site a festive and engaging look throughout the year.

This addon brings a dynamic and visually appealing touch to your branding. Whether you're aiming to keep your community in the holiday spirit or simply want a fresh, seasonal design, this tutorial will walk you through every step to get it up and running in no time.

By the end of this guide, you'll have the skills to customize your site's logos for different holidays, making your social platform feel more lively and interactive for your users!

Step1: Upload the files to your directory using FTP and follow the file structure.

← → ▾ ▴ 📁 > DynamicHolidayLogo Addon > themes > wowonder > layout ▾ ↻				
Name	Date modified	Type	Size	
📄 logo.phtml	10/14/2024 12:43 AM	PHP HTML Source...	4 KB	
📄 login.phtml	10/14/2024 12:43 AM	PHP HTML Source...	4 KB	

Step 2: Open YourSiteRoot/themes/wowonder/layout/header/loggedin-header.phtml and find

```
<div class="wow_hdr_innr_left">
```

and after that add:

```
<?php echo Wo_LoadPage('header/login');?>
```

Step 3: Now Open `YourSiteRoot/themes/wowonder/layout/welcome/content.phtml` and find

```
<div style="top:20px;" class="login_left_combo">
```

And after that add:

```
<?php echo Wo_LoadPage('header/logo');?>
```

Step 4:

- Design and Upload your logos images to `YourSiteRoot/themes/wowonder/img`
- **Images must be name as the holidays on the code see below**

```
newyear.png  
valentine.png  
stpatricks.png  
independence.png  
thanksgiving.png  
christmas.png
```

That is all! Enjoy your site
